Do you like the Affirm compressor?

Buy in monthly payments with Affirm on orders over \$50. Learn more So far we love the compressor, it is quiet and works great. Was this review helpful? Replacing my old compressor after 20 years. I've just gotten used to slow and low output.

Is Emax a good IR compressor?

The EMAX is unbelievably quiet and very well built. American made still means something. Was this review helpful? Thank you so much for leaving us a review! Welcome to the EMAX family! We purchased this unit due to a move across the US. We replaced an old worn out IR compressor.

Is air compressor direct a good brand?

Air Compressors direct crated this unit very well, no damage from shipping and came on a very well-built pallet. Only complaint is the lack of owner's documentation supplied with the order. In the end, I would not hesitate to buy another compressor from Emaxx along with Air Compressor Direct. Price was in line with other units.
