The Reseller must make payment of any amount due, owing and payable within 30 days of date of such invoices. PAYMENT IN ARREARS. Center shall pay Contractor in arrears for services provided in the previous calendar month. PAYMENT IN ARREARS.

Do long term drilling contracts have assignment rights?

While many agreements contemplate assignment rights, in long term drilling contracts the right is often invoked.

What does it mean if a payment is in arrears?

But "in arrears" can also describe payments made after a service has been provided. If you receive a service first and then pay for it at the end of the month, that payment would be in arrears. A common example would be your utilities. You don't pay for your usage when the month starts--you pay for what you used when the month ends.
