

Water Well Drilling Rig Transfer 2023

What is preferred pump's used rig marketplace?

Preferred Pump's Used Rig Marketplace is a great place to list your used water well equipment, drilling rigs, and pump hoists for sale.

Who can drill a well under a permit?

All well operators drilling wells under permits issued by the Division of Mineral Resources must use a drilling contractor that is registered with DEC. A listing of registered drilling contractors and plugging contractors can be obtained from the DMN searchable database.

Where can I find a used drill rig?

Click here to view our used rigs online showroom. In order for Rig Source to begin the process, please download our Showroom Listing Sheet, complete and return it to info@rigsourceinc.com along with 6 to 10 images of your drill rig. A member of our team will then reach out to you with further details.

How do I submit a preliminary notice of proposed water well?

Submit a Preliminary Notice Of Proposed Water Well (PDF) to DEC prior to commencement of drilling a water well. This form may also be completed and submitted online using DEC's online form tool, nForm. Complete a Water Well Completion Report (PDF) upon completion of drilling a water well.

What conditions should be included in a proposed drilling program?

The proposed drilling program may also include a borehole schematic. Refer to the Division of Mineral Resources' casing and cementing conditions when developing your drilling program. These conditions are standard requirements included in each Permit to Drill in order to protect groundwater.

Which drill rig brands do you accept?

We accept all drill rig brands serving the geotechnical, environmental, oil and gas, or mineral exploration drilling industries including: Diedrich, CME, Mobile, Simco, Geoprobe, Atlas Copco, Boart Longyear, and more.
