

Wholesale klemm drill rig

With unmatched technical and global experience, RigQuip offers rig packages, maintenance and drilling equipment parts to customers worldwide.

The modularity of the drill mast allows the adaption of a variety of options which makes the drill rig universally applicable, e.g. for anchoring, micro piling, jet grouting and geothermal drilling. ...

A large range of Klemm Drilling Rigs for Construction type Drilling Applications. Quality product built to a Certified Standard. Service and Support here in New ...

As power unit for the drill rig, two different diesel power packs and one electric power pack are available. The power packs offer a modern high pressure hydraulic system for the operation of ...

The crawler drilling rig KR 806-5G is the largest drilling rig in the KR 806 series and is powered by an engine of 180 kW and a dual-circuit, load-sensing main pump system.

KLEMM KR7093G Drilling Rig: Advanced Engineering Meets Global Standards The KLEMM KR7093G drilling rig is a state-of-the-art machine that embodies compliance with global ...

The KR 800-3G is a powerful, compact drilling rig with a total weight of 9.5 t for a wide range of drilling tasks. The 100 kW CAT diesel engine complies with the ...

Since the 1960s, KLEMM Bohrtechnik GmbH has been developing innovative drilling systems for specialist foundation engineering and related applications. This experience helps to shape ...

Almost anything is possible Drilling systems In the last five decades, KLEMM Bohrtechnik has decisively contributed to the development of the drilling systems that are currently available on ...

High performance With an engine power of up to 245 kW, the crawler drilling rig KR 807-7G or the KR 807-7GP variant is the most powerful drilling rig of ...

Klemm A drill rig from KLEMM is a guarantee for operating reliability and long-term cost efficiency Our assortment KLEMM KR 807-7G The large and especially stable universal and anchor ...

Through individual and intelligent design, Klemm is able to supply drill rigs that will generate added value and advantages over competitors. The power of efficiency: Klemm remains one of ...

Drill rig KLEMM KR 701-1 with power pack unit Multipurpose rig for micropiles, etc. Rig has strong drill

Wholesale klemm drill rig

heads with 3 hydraulic motors / 3 gears Developed kinematics system - ...

KLEMM Micropile drilling machines KLEMM Bohrtechnik develops and manufactures drilling rigs and drilling equipment in the field of special foundations. As proof of the high degree of ...

The KLEMM drilling rig is a formidable force in specialized foundation engineering, offering unparalleled versatility for vertical drilling both indoors and outdoors. This rig is compatible with ...

Compact and powerful The KR 801 defines its own class of especially compact and at the same time universally usable drilling rigs. With a 2200 mm wide ...

Drilling Rig The drilling rig KR 807-7G represents the consequent further development in the KR 807 model series that conforms to the exhaust emission standards EEC 4 / EPA TIER 4f. With ...

Equipment Corporation of America is the North American leader in the distribution and service of drilling and pile driving foundation equipment for leading brands ...

All KLEMM rotary heads are designed so that they are perfectly matched to the respective drilling system and drilling task. This means that the drives produce the maximum drilling ...

About Klemm Drilling Rigs Reliable and customer-oriented, Klemm offers their customers robust products from experienced workers. Klemm stands on a solid foundation of high-quality ...

Compact and powerful The KR 801 defines its own class of especially compact and at the same time universally usable drilling rigs. With a 2200 mm wide oscillating crawler, the KR 801-3GS ...
