

Yongbang Screw Air Compressor

Who is Yibang compressor?

Provide a complete set of compressed gas solutions. Shanghai Yibang Compressor Co., Ltd. was established in 2014. Yibang focuses on global gas compression system customization, providing users with a complete set of solutions. Products are sold to more than 100 countries around the world, well received by the majority of users!

Where is screw air compressor made?

The company was established in Zhengzhou city, Henan. The factory area is about 38000+square Meter. Annual capacity of screw air compressors is more than 3000 units.

Why should you choose Yibang?

Yibang has a stable core competitiveness of the product supply chain, According to the use of compressors in different countries, from research, design, production, testing, packaging, delivery, our professional team to provide you with solutions, to provide customers with a variety of cost-effective products, welcome to Shanghai, China!
