

Zhangjiakou down-the-hole drill rig model

What is a DTH drilling rig?

This mining equipment is designed with DTH hammer to impact and fracture rock, ensuring high drilling speed. 360°; (177°;180°;) rotation provides large drilling coverage, and the drilling depth can reach up to 100m. What's more, the DTH drilling rig can be expandable to drill holes for radial cable bolting, and also for shaft drilling.

What is JK730 automatic crawler mounted DTH drilling rig?

JK730 Automatic Crawler Mounted DTH Drilling Rig features its lower operation cost and humanized design. It adopts a powerful diesel engine and hydraulic oil pump station assembly to generate power, allowing rigs to rotate, feed, lift, walk, and angle positioning. During operation, only the percussive hammer consumes the compressed air.

What is a multi-functional rock drilling machine?

Designed with travel reducer and separated operation platform, the multi-functional rock drilling machine comes with small footprint, high working efficiency, easy operation and maintenance. Huatai is a Chinese company specialized in the design and batch production of rock drilling equipment.

The RC3000 hydraulic drifter is designed for large-diameter drilling in underground metal mining and surface top hammer drilling rigs, excelling in ...

90-165mm Site Condition It is applicable to the blast hole drilling process of hydro project, open pit mining, quarrying, road construction and defense project. Hydraulic Drilling Rig Features ...

ZHANGJIAKOU XUANHUA JINKE DRILLING MACHINERY CO.,LTD. is professional development, production of various DTH drilling rig of large enterprises. The main products ...

This mining equipment is designed with DTH hammer to impact and fracture rock, ensuring high drilling speed. 360°; (177°;180°;) rotation provides large drilling ...

Crawler Hydraulic Down-Hole Drill, Find Details and Price about Crawler Drilling Rig Crawler Dth Down Hole Drill from Crawler Hydraulic Down-Hole Drill - Zhangjiakou Xuanhua Jinke Drilling ...

JK730 Automatic Crawler Mounted DTH Drilling Rig features its lower operation cost and humanized design. It adopts a powerful diesel engine and hydraulic oil pump station ...

It was founded in 1910. In 1953, the railway repair plant was transferred from the Ministry of Railways to the Ministry of Geology, which is one of the 156 key construction projects in ...

Zhangjiakou down-the-hole drill rig model

Drilling hole diameter 76-115 mm Drilling depth 25m Product Features The JK930 all-in-one fully hydraulic open-pit Top Hammer Drill Rig is a flexible and versatile top hammer drill rig ...

The main products are: JK590, JK580, JK380 (D), CL351, CM458A (D) series of down-the-hole drill; JKS200, JKS300, JKCS300, JKS400, JKS600 series of impact type well drilling.

price: contact company for price Hole Anchor Mineral Photos Catalog Anchor Drilling Rig: TAIYE370-DTH hydraulic anchorage drilling rig is equipped with new powerful hydraulic ...

This mining equipment is designed with DTH hammer to impact and fracture rock, ensuring high drilling speed. 360° rotation provides large drilling coverage, and the drilling depth can ...

Compressure Supplier, Down The Hole Drilling, Hydraulic Down The Hole Drill Manufacturers/ Suppliers - Zhangjiakou Xuanhua Jinke Drilling Machinery Co., Ltd.

The small down the hole drilling rig offers hybrid motor-air performance, designed for efficient rock drilling in tight or steep areas. Click!

Multifunctional Drilling Rig is a high-performance, multi-purpose machine designed to meet demanding drilling needs across various terrains and applications. Capable of operating with ...

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines, stonework projects, road construction, and other scenarios. It is also called a shallow ...

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. ...

South Korea Hydraulic Down-The-Hole (DTH) Drill Rigs Market size was valued at USD 1.5 Billion in 2024 and is forecasted to grow at a CAGR of 7.

JK730 DTH drilling machine is the air-compressor separated hydraulic DTH drilling rig. It is equipped with automatic pipe changer for pipestorage, changing and connecting ...

JK Company is a large enterprise that professional development, production of various DTH drilling rigs. The main products are: JK590, JK580, JK358H (D), CL351, CM458 (D) series of ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Zhangjiakou down-the-hole drill rig model

JK Drilling, a professional drilling equipment manufacturer, provides a wide range of DTH drilling rigs that feature high efficiency, high quality and high cost ...

Down-the-hole drilling (DTH) essentially involves a drilling hammer at the bottom of a drill string. It relies on three elements for drilling holes: bit loading ...

Crawler Hydraulic DTH Drilling Rig Supplier, Air Compressor, Water Well Drilling Rig Manufacturers/Suppliers - Zhangjiakou Xuanhua Jinke Drilling Machinery Co., Ltd.

The ZT10 integrated down the hole drill rig for open use is a new drilling device and production of down the hole drill rig to meet the needs of large open-pit ...

The major products include All-In-One type rock drilling rigs, separated type rock drilling rigs, crawler mounted well drilling rigs, truck mounted well drilling rigs and construction drilling rigs, etc.

In recent years, the demand for efficient drilling technologies has surged, particularly in the context of China's booming energy sector. DTH (Down-The-Hole) drilling rigs ...

TAIYE-X5-DTH is a new type high wind pressure drilling rig that can realize automatic placing and dismantle of 6 drill pipe each time. depth: 70 meters drilling hole :115-165mm It also features a ...

Crawler Hydraulic DTH Drilling Rig Supplier, Air Compressor, Water Well Drilling Rig Manufacturers/Suppliers - Zhangjiakou Xuanhua Jinke Drilling Machinery Co., Ltd.

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...
